

the american revolution: some thoughts on recent ... - like his highly praised origin of the american revolution 1759-1765 (new york and london, the free press, 1960), this sequel is both brilliant and exasperating. a lawyer by training and profession, knollenberg in his work offers the reader a thoroughly-documented legal brief for american opposition to great britain. he never wavers in his assumption that the leaders of colonial protest to ...

book reviews - journals - origin of the american revolution, 1759-1766, published in 1960. if so, it is regrettable that the sequel was published. the deficiencies of this work-whether appraised as scholarly or as popular history-are so glaring that one is from the outset bewildered by its prefatory assertion that this volume "was virtually complete" when its author died. contrarily, an objective reading impels one to ...
